Poster Size: max. 1m20 width by 1m70 height

1st Call Annual Meeting

Hosted by
Sika Sarnen

June 16th 2010

Polymer and Material Characterization using TA-Techniques

Organized by the Swiss Society of Thermal Analysis and
Calorimetry

STK Meeting June 16th 2010

The aim of the association STK is to assemble scientists and specialists from universities and industries in the field of thermal analysis and calorimetry

STK organizes its annual meeting 2010 at Sarnen (OW). The 2010 Meeting will be opened to applications of Thermal Analysis and Calorimetry in research and industry. Manufacturers will exhibit instruments in these fields.

Scientific Committee
